Dear Sir:

Applicants note that the title of the referenced application, as it appears on the Notice of Allowance and Fee(s) Due mailed October 22, 2004 is erroneous. Applicants have reviewed the prosecution history and cannot find support, either through Applicants or Examiner's amendment, for the addition of the words "HAVING A SHIELDED COUPLER STRUCTURE" that have been added to the end of the title of record. Therefore, Applicants respectfully request that the additional wording be removed from the title prior to issuance.

Respectfully submitted,

By:
